About US

Lok Sanskriti is a registered non-governmental organization based in Mehrauli, New Delhi, Committed to holistic social development, the organization is actively working across Rajasthan, Uttar Pradesh, Haryana, and Delhi. Our key focus areas include Education, Skill Development, Women Empowerment, Medical & Health Awareness, Social Welfare, and the promotion of Art & Culture. Through grassroots initiatives and community-driven programs, Lok Sanskriti aims to uplift underprivileged sections of society.

Mission

Lok Sanskriti is committed to empowering communities through quality education, skill development, women's empowerment, healthcare awareness, and the promotion of art and culture. With a deep-rooted belief in inclusive growth, we strive to uplift underprivileged sections of society and create sustainable opportunities for all.

Vision

To build a socially equitable and enlightened society by advancing access to higher education, such as UPSC preparation, and advanced skill development & Entrepreneurship. We envision a future where every individual, regardless of background, has the tools and support to realize their full potential and contribute meaningfully to nation-building.

Our values

- Accountability
- Leadership
- Transparency
- Team Work
- Innovation

Founder's Massage

Dear Friends and Supporters,

As Lok Sanskriti NGO marks the successful completion of three impactful years, I feel immense pride and gratitude for the journey we've undertaken. Our work across **education, skill development, women empowerment, medical & health awareness, art & culture, and social welfare** has reached diverse communities and brought meaningful change to many lives. These achievements are the result of the collective efforts of our dedicated team, supporters, and well-wishers who believe in our mission of inclusive development.

As we look to the future, Lok Sanskriti aims to expand its focus toward **higher education**, especially guiding youth in **UPSC preparation**, and advancing **skill development and entrepreneurship** initiatives. We believe these areas are critical to empowering the next generation and building a self-reliant India. Thank you for walking this path with us. Together, we will continue to create opportunities, inspire change, and uplift communities.

GEOGRAPHICAL AREA

Our NGO operates on a PAN India basis, with a current active presence in the states of Rajasthan, Uttar Pradesh, Haryana, and the National Capital Territory of Delhi. These regions encompass a diverse demographic and socio-economic population, including rural villages, urban slums, and semi-urban communities. The NGO's interventions are strategically implemented to address region-specific challenges and promote inclusive development.

The organization focuses on a wide array of developmental sectors, including:

Education: Promoting access to quality education for underprivileged children and youth.

Skill Development: Conducting vocational training and employment-linked skill programs.

Women Empowerment: Enhancing socio-economic status of women through capacity building and livelihood initiatives.

Medical & Health Awareness: Organizing health camps, awareness drives, and facilitating access to basic healthcare.

Art & Culture: Preserving and promoting regional art forms and cultural heritage.

Social Welfare: Supporting marginalized communities through various welfare schemes and initiatives.

The NGO's grassroots presence across these states ensures effective community engagement and sustainable impact.

FINANCIAL MANAGEMENT

At **Lok Sanskriti**, financial management plays a vital role in supporting our mission to preserve and promote cultural heritage. We are committed to handling funds with transparency, accountability, and efficiency.

To strengthen our financial operations, **we use Tally Accounting Software**, which allows us to maintain organized and accurate records of all financial transactions. Tally enables us to manage project-wise and donor-specific accounts, generate essential financial reports, and ensure compliance with statutory requirements. All accounts are subject to regular audits conducted by an external auditor to ensure compliance and accuracy. The organization operates bank accounts with a nationalized bank

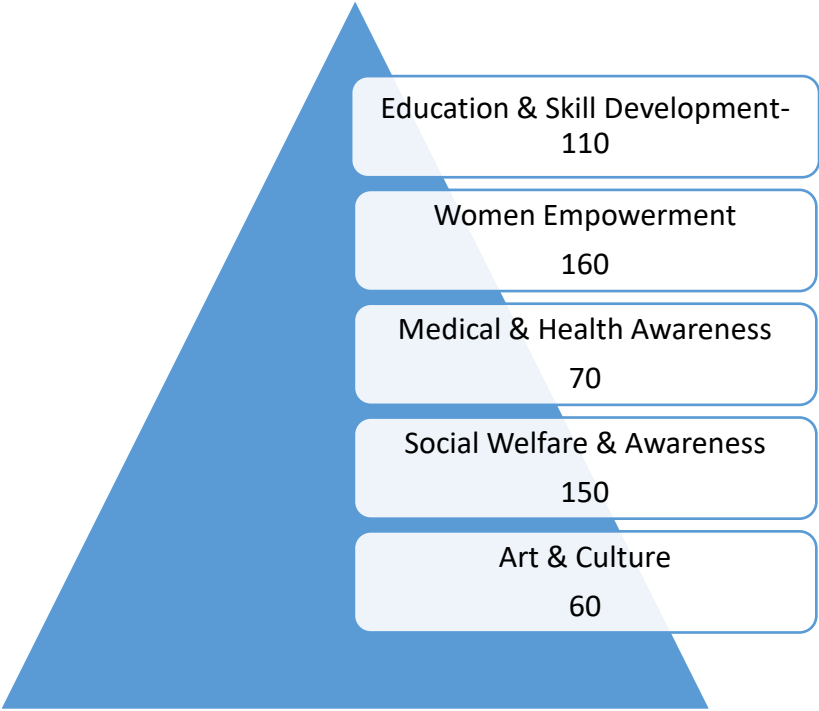

We prioritize **transparency in our financial records**. All transactions are recorded with proper documentation, and audit trails are maintained for verification. Regular reconciliations and detailed reporting ensure that stakeholders have a clear view of fund utilization.

Our team follows **good book keeping practices**, including timely entry of data, systematic filing of receipts and vouchers, monthly bank reconciliations, and periodic internal reviews. This disciplined approach helps us build trust with donors, auditors, and beneficiaries.

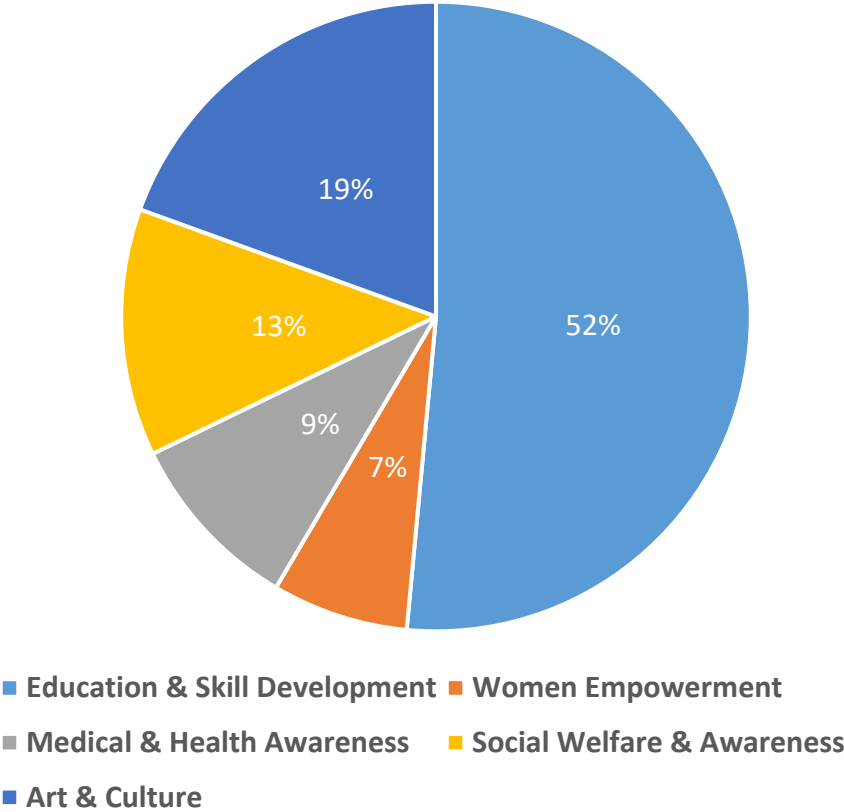

Through efficient financial systems and responsible fund management, **Lok Sanskriti** ensures that every contribution is used effectively to achieve our cultural and social goals.

Separate books of accounts are maintained for each project to ensure clear and distinct financial tracking.

Education & Skill Development

Primary Education for Underprivileged Children: *“Educated Bharat, Self-Reliant Bharat”*

Lok Sanskriti Vidya Mandir is an initiative dedicated to providing **primary education** to underprivileged children. The center aims to ensure that every child, regardless of their socio-economic background, has access to quality education in a safe and supportive environment.

With a focus on foundational learning, values, and life skills, we strive to build confident and capable individuals who can contribute to a stronger, self-reliant India. True to our slogan, we believe that education is the first step toward empowerment and lasting social change.

Computer Education & Skill Development:

Computer education and skill development are vital for empowering individuals in today’s digital age. Our NGO focus on providing digital literacy programs to underprivileged communities, enabling them to acquire essential technological skills such as coding, internet usage, and basic software proficiency. In addition to digital education, skill development programs teach vocational skills enhancing employability, self-reliance, and economic stability. These initiatives help individuals break the cycle of poverty by equipping them with marketable skills, improving job prospects, and fostering entrepreneurship.

Lok Sanskriti Grameen Public Library:

A **Grameen Library** is a community-driven initiative designed to provide rural and underserved populations with access to educational resources and books. Our NGO, establishing these libraries ensures that people in remote areas can access knowledge and information to improve their lives. **Grameen Libraries** help foster a culture of reading and lifelong learning, offer digital resources, and organize community-based learning activities. By making educational materials easily accessible, these libraries empower individuals to improve their literacy, develop new skills, and stay informed about important social, health, and economic issues. These combined efforts—focused on primary education, digital literacy, skill development, and information access—are crucial in building an inclusive society where underprivileged children and adults alike can thrive and achieve their full potential.

Lok Sanskriti Vidya Mandir-01

Education Centre for Underprivileged Children

Village-Santhalka, Near Capital Mall, Bhiwadi (Rajasthan)

Such children who are deprived of primary education due to the poverty & other problems of the family, we motivate them to study in our '**Lok Sanskriti Vidya Mandir**' in which the students are taking quality education with manners & ethics.

(More than 3000 books are available for free studying)

Women Empowerment & Skill Development

Lok Sanskriti Silai Shiksha Kendra

Lok Sanskriti, through its Silai Shiksha Kendra, is committed to empowering women by providing them with practical stitching and tailoring skills. This initiative equips women, especially from rural and underprivileged backgrounds, with the ability to become financially independent and self-reliant.

Through hands-on training in sewing and embroidery, women not only gain technical skills but also the confidence to start their own small businesses or contribute to household income. The program nurtures entrepreneurship, encourages self-expression, and promotes dignity of labor.

Silai Shiksha is not just a vocational course—it is a step toward social and economic empowerment, enabling women to lead lives of independence, respect, and purpose. Lok Sanskriti proudly supports this transformation, believing that when women are empowered, entire communities thrive.

Self Defence Awareness Programs

Self-defense awareness programs organized by our NGO focus on teaching women vital techniques for protecting themselves from physical harm or abuse. These programs not only cover physical defense tactics but also educate women about their rights, personal safety, and how to respond to threats or violence. By empowering women with self-defense skills, our NGO help increase their confidence, reduce vulnerability to violence, and encourage women to take control of their safety. Additionally, these programs foster a sense of solidarity and support among participants, promoting a community of strength and resilience.

Women Empowerment Award Ceremony

Our NGO organizes the award ceremony for social Activist Women. The Award recognizes the exceptional contributions of women social activists who work tirelessly to uplift and empower women in their communities. This award celebrates women who, through their dedication, passion, and leadership, have created lasting change by advocating for gender equality, education, economic independence, and social justice. Social activists who receive this award are often involved in initiatives such as women's rights advocacy, skill development programs, healthcare, legal support, and the prevention of gender-based violence. Their efforts help break barriers of discrimination, challenge societal norms, and create opportunities for women to thrive in all aspects of life. By recognizing these women, our NGO honor their transformative work and inspire others to follow in their footsteps, contributing to a world where women are empowered to realize their full potential. This award not only celebrates the achievements of these remarkable women but also highlights the ongoing importance of working toward gender equality and women's empowerment globally.

Women Empowerment

Health Checkup & Consultation Camp

Lok Sanskriti organizes a Health Checkup and Consultation Camp with the aim of promoting health awareness and providing essential medical services to underserved communities. The camp offered free health screenings, including blood pressure, blood sugar, and general health checkups, along with one-on-one consultations with qualified doctors.

The initiative focused on early detection of common health issues, preventive care, and spreading awareness about hygiene, nutrition, and healthy living habits. Special attention was given to women, children, and the elderly, ensuring they received proper medical attention and guidance.

This health camp reflects Lok Sanskriti's ongoing commitment to holistic community development, where good health is recognized as a key foundation for a better quality of life.

Mental Health Awareness

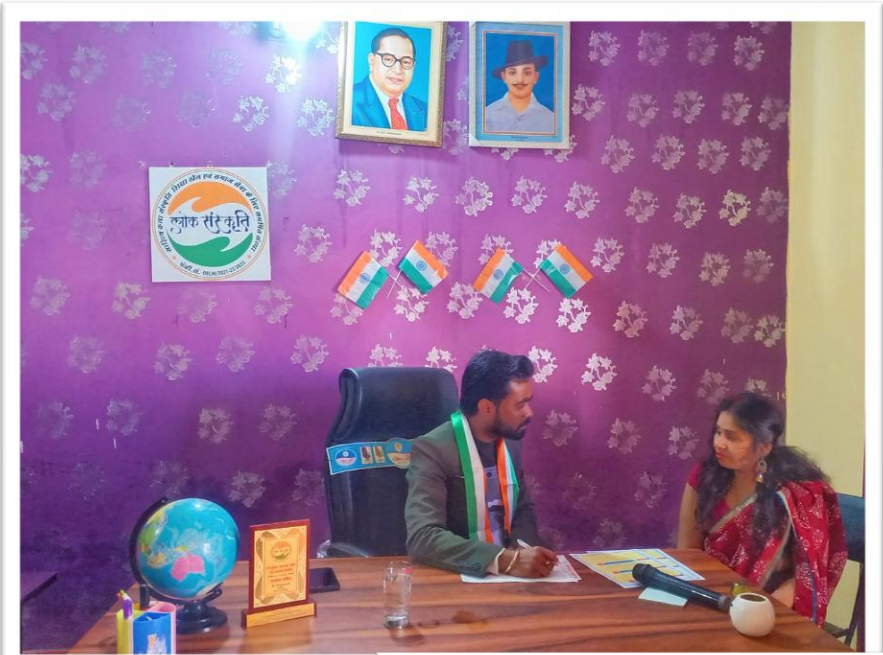

is also very important. Many people don't talk about their mental health because they feel ashamed or don't know where to get help. NGOs can teach people about mental health through talks, counseling, and sharing helpful information. This helps people understand that it's okay to ask for help and take care of their mental well-being, just like their physical health.

By organizing both health checkups and mental health awareness programs, our NGO help people live healthier, happier lives, taking care of both their body and mind.

Mental & Physical Health Awareness

Prioritizing preventive healthcare, Lok Sanskriti conducts extensive awareness campaigns. These initiatives empower individuals to proactively manage their health, emphasizing the importance of regular check-ups, healthy lifestyle choices, and disease prevention.

Mental health is a crucial aspect of overall well-being. Lok Sanskriti’s social work includes awareness campaigns, educational programs, and support networks aimed at breaking stigmas surrounding mental health and fostering understanding within communities.

1.Elder Care: Many elderly individuals face loneliness and lack of proper care. Our NGO provides support through home visits, healthcare, and organizing community activities to improve their quality of life.

2.Clothes for Needy People: Providing clothes to those who cannot afford them helps restore dignity and ensure they are warm and protected. Our NGO organizes clothing drives to collect and distribute items to people in need.

3.Road Safety Awareness: Road accidents are a major concern in many communities. Our NGO organizes the awareness program about road safety rules, distribute safety gear like helmets, and organize training sessions to help prevent accidents and save lives.

4.Food for Needy People: Hunger is a pressing issue in many places. Our NGO help by organizing food drives, bhandara programs to ensure that people, especially in impoverished areas, have enough to eat. Through these initiatives, our NGO makes a positive impact by helping vulnerable people meet their basic needs and promoting a safer, healthier community.

Art & Culture

Art and culture play a key role in preserving traditions, promoting creativity, and bringing communities together. Our NGO organizes a variety of cultural programs to celebrate and showcase local heritage:

1. Folk & Festival Cultural Programs: These programs help preserve and celebrate traditional folk music, dance, and rituals during festivals. By organizing such events, Our NGO brings people together to enjoy and learn about their cultural roots, promoting unity and understanding.

2. Kavi Sammelan & Goshthi Programs: A Kavi Sammelan (poetry gathering) and Goshti (literary discussions) are great ways for people to express themselves through poetry and literature. Our NGO organizes these events to encourage creative expression, promote local poets, and create a platform for discussions on social issues.

3. Art, Singing, Dancing & Poetry Competition Programs: These competitions allow individuals, especially young people, to showcase their talents in art, singing, dancing, and poetry. Such programs encourage artistic expression, build confidence, and provide a platform for emerging artists to gain recognition.

These cultural programs help in preserving traditions, promoting creativity, and fostering a sense of community among people of all ages and backgrounds.
